for Achievement, yes. Literally achievement spam and nothing else.. all u need its just click the alphabet square for 12000 times and u will get all achievement :) guys im not even kidding, 12000 times or more or less. click* *achievement* - *click* *achievement* - *click* *achievement* - *click* *achievement* well i can't call that a game! imagine a clicker game without any management elements.. Relaxing clicker, easy, fun, child-safe.. Click click. What else you need to do? Just click for achievements. ez. Achievement Machine is a small clicker game, where you click boxes. But you move your mouse too, not just clicking. Every click on the box will count as one achievement, as it is really easy to collect them. As so, it is not that hard, you click and click to the end. There is 2 modes, as counting Normal Mode and Super Pixelated Mode. Also, one thing of these are, that you can customize your profile with these achievements, so you can type something with it, pretty nice ey? I recommend you to play this, if you care about achievements. I do, but just for fun! Just wait whenever it goes on sale or something. If you want to spend some time to get achievements, and you don't care about your money, this game is for you.. Great game, not like many achievement spam games Pros: Works with an auto clicker (drag mouse across the screen with 100cps) All achievements

unlock with no problem Says how many achievements you got on the side of the screen Doesn't take too long Cons: "Hunt Mode" takes up way too much time, without it would make this at least 5x faster Overall, good for 5k achievements :).
