Noir Knights Characters

Mrs. Amethyst, Mr. Flannigan, Mr. Shao, Mr. Dolby, and Miss Herne... These are some of the 1930s SPA agents ready to combat the trails that await them!

All of these characters are Heroic rank and all ready to play. They are designed for Noir Knights, but can be played in any Heroic rank Suzerain game.

Noir Knights: Chasing Rainbows

While certain powerful entities have the ability to pierce the Veil and breach the Maelstrom to reach some other place, there are also natural portals that exist here and there.

Stull, Kansas just so happens to have one of those places...

Chasing Rainbows is a free "One-Sheet" adventure for Savage Suzerain, a short adventure to give you a feel for the 1930s realm of American Grit where we set our Noir Knights book. You'll want characters of Heroic rank to play this adventure.

Noir Knights: In The Name Of Science

It could be said that the 'good' doctor means well, but it just as easily raises the question: do the ends justify the means?

In the Name of Science is a free "One Sheet" adventure for Savage Suzerain, a short adventure to give you a feel for the 1930s Realm of American Grit where we set our Noir Knights book. You'll want characters of Heroic rank to play this adventure.

Noir Knights: Knights At The Opera

The voodoo Loa are interesting beings in that their relationships with their human worshipers are much more symbiotic than is typical of 'gods' – especially modern gods. While this normally isn't an issue, sometimes there is a case that deserves a little more attention.

Such is the case of one Jean-Pierre Gudot, a practicing Taximancer bearing a misguided obsession with a Haitian immigrant by the name of Bethany.

Knights At The Opera is a free "One Sheet" adventure for Savage Suzerain, a short adventure to give you a feel for the 1930s realm of American Grit where we set our Noir Knights book. You'll want characters of Heroic rank to play this adventure

Noir Knights: Oppressive Heat

Great Spirit of Oppression wants Tamagozushi, but there's a Lord of Flame who has an interest too. The heat is on.

Oppressive Heat is a free "One Sheet" adventure for Savage Suzerain, a short adventure to give you a feel for the 1930s realm of American Grit where we set our Noir Knights book. You'll want characters of Heroic rank to play this adventure.

Noir Knights: The Mission Link

The Ordo Hermeticus Octostium is just one of many 'mystical orders' that sprang up in the spiritualist craze of the previous decades. In general, they're no more or less problematical than Freemasons or Rosicrucians, but occasionally you'll find members of those sorts of groups who believe that 'with great power comes an obligation to further your own agenda'... and that's when trouble starts. Frank Augustus Miller is one of those guys, and the trouble has certainly started.

The Mission Link is a free 'One Sheet' adventure for Savage Suzerain, a short adventure to give you a feel for the 1930s realm of American Grit where we set our Noir Knights book. You'll want characters of Heroic rank to play this adventure.

A copy of Savage Suzerain is also recommended to get the best out of this product.
